Team Involvement in Demonstration:

This document records the active participation and roles of each team member during the project demonstration. It ensures that every member contributes meaningfully to the presentation and that responsibilities are distributed fairly and clearly.

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation (Active / Passive)
1	Siri Putta	Project Coordinator & Machine Learning Presenter	Project Introduction, Problem Statement, Dataset Overview, Data Preprocessing, Model Selection, Project Coordination	Led the overall project, coordinated team activities, explained the project objectives, dataset preprocessing, machine learning workflow, model selection, and managed the complete project execution and demonstration.	Active
2	Apurupa Ande	System Design Presenter	System Architecture, Workflow Diagram, Technologies Used, Project Modules	Explained the Smart Lender system architecture, workflow, technologies used, and overall functioning of different project modules.	Active
3	Asritha Vadranam	Machine Learning Presenter	Data Visualization, Model Training, Algorithm Comparison, Performance Analysis	Demonstrated dataset visualization, explained Decision Tree, Random Forest, KNN, Gradient Boosting algorithms, performance comparison, and model evaluation results.	Active
4	Jaswanthi Salluri	Frontend & user Interface Presenter	Home Page, About Page, Performance Page, Tips Page, Workflow Page, Contact Page	Presented the user interface, navigation between web pages, responsive design, and explained the features available in the Flask web application.	Active
5	Murikipudi Sai Poojitha	Application Deployment Presenter	Prediction Module, Flask Backend, Render Deployment, GitHub Repository, Conclusion	Demonstrated the loan prediction process, Flask backend integration, Render cloud deployment, GitHub repository, live application execution, and delivered the project conclusion.	Active

Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	Siri Putta
Overall Team Coordination Rating (1-5)	5/5
Any issues during demo	Minor delay during deployment due to Render free-tier startup time.
How issues were resolved	Waited for the server to initialize and continued the demonstration smoothly after the application became available.
